Scales - Weighing systems

KST

"KST" series stainless steel digital scales with touch screen display

New bench digital scales with stainless steel body and touch screen color display, simple and intuitive.

High weighing performances, thanks to the C6 OIML load cells (fitted as standard) and selectable application programmes for piece counting, statistical control, manual dosage, labelling and totalization.

The long lasting battery power supply and the lateral handles allow an easy transport of the scale directly where it is necessary.
